

InsureRater

Online Comparative Rater: Personal & Commercial Lines Quoting through a self-service online rater.

InsureRater is the only comparative rating service that allows an agent to receive quotes for both personal and commercial insurance. There's no initial set-up fee, it's completely self-service, it works in all 50 states using the agent's carrier contracts, and one monthly service fee provides unlimited quoting for all carriers and for all lines of business.

Available Lines of Business:

- Business Owners
- Commercial Property
- General Liability
- Commercial Auto
- Workers Compensation
- Commercial Umbrella
- Personal Auto
- Homeowners
- Renters
- Condo
- Dwelling Fire
- Vacant Property

Pricing:

- \$100 per user per month for Commercial Lines Rating
- \$100 per user per month for Personal Lines Rating
- \$175 per user per month for both Commercial & Personal Lines Rating
